The DKFZ and Helmholtz: on their way to sustainable research

Stronger Together: This seminar will focus on the sustainability efforts at the German Cancer Research Center (DKFZ) and the Helmholtz Association (HGF), delving into the structures of grassroots initiatives and administrative bodies at the institute (DKFZ) and association (HGF) level and the collaboration between them. Participants will gain an overview of sustainability projects at DKFZ, the Network Helmholtz Climate Neutral, the Helmholtz Association Sustainability Working Group, and the Helmholtz Climate Initiative. A great opportunity for fruitful exchange.

2 June 2022, 12:00 pm
(CEST/UTC+1)

The seminar will take place online via Zoom.
